PRELIMINARY RECITALS

Pursuant to a petition filed February 08, 2016, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Rock County Department of Social Services in regard to Medical Assistance (MA), a telephone hearing was held on March 08, 2016.

The issue for determination is whether the respondent correctly established an overpayment of MA benefits to petitioner.

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Rock County.
2. The county agency discovered that an error had occurred with respect to petitioner's MA benefits because the petitioner failed to report income.

3. On January 22, 2016, the county agency issued a Notification of MA Overissuance to petitioner (Claim No. [REDACTED]) informing that she was overissued \$1,447.00 in MA benefits from March 1, 2015 to June 30, 2015, due to client error, failure to report income correctly.
4. On February 8, 2016, petitioner filed an appeal with the Division of Hearings & Appeals.

DISCUSSION

The Department seeks to recover \$1,447.00 in BadgerCare Plus benefits paid on the petitioner's behalf from March 1, 2015 to June 30, 2015. BadgerCare Plus is Wisconsin's medical assistance program for those who are not elderly or disabled. Adults are ineligible if their household income exceeds the federal poverty level. Wis. Stat. § 49.471(4)(a). The department may recover any overpayment of BadgerCare Plus that occurs because of a "misstatement or omission of fact by a person supplying information in an application..." Wis. Stat. § 49.497(1).

At hearing, the county worker proved with a preponderance of the evidence that an overpayment occurred because petitioner's income was not correctly reported, and therefore not correctly budgeted to determine the household's MA benefits.

At the hearing, petitioner did not contest that she failed to properly report her income and/or that the county agency calculations were incorrect. Rather, she indicated that her income should be recalculated due to the fact that she was the victim of theft; she asserts that her losses should be deducted from her income as a result. However, federal regulations do not allow for such deductions to income. This is especially true here, where petitioner's allegations have not been proven in court. I acknowledge petitioner's testimony that she did not report this theft due to fears of retaliation. However, even if it was within my jurisdiction to order a recalculation based upon theft, I would be unable to do so based upon the evidence presented. Accordingly, I must conclude that petitioner was overissued \$1,447.00 of MA benefits which are subject to recovery.

The petitioner has in effect argued that the program standard is unfair and that the administrative law judge should grant her relief from the program requirements. It is the long-standing policy of the Division of Hearings & Appeals, Work & Family Services Unit, that the Department's assigned administrative law judges do not possess equitable powers. See, Wisconsin Socialist Workers 1976 Campaign Committee v. McCann, 433 F.Supp. 540, 545 (E.D. Wis.1977). This office must limit its review to the law as set forth in statutes, federal regulations, and administrative code provisions. Under law, she is not eligible for the requested deduction to her calculated income; no exception applies; and I am without any equitable powers to direct any remedy beyond the remedies available under law.

CONCLUSIONS OF LAW

Petitioner was overissued \$1,447.00 of MA benefits which are subject to recovery.

NOW, THEREFORE, it is

ORDERED

That the matter herein be and is hereby dismissed.
